

## Minutos para los tontos de abril

John enters the room in a state of lactation  
There is no food to counter the pain of his dictation.  
Maya has arrived from India culturally aware  
If you seek her out in section 1 she may have some wisdom to spare.

Pete and John are currently at war  
Thursday battle movie versus Buffy lore  
Imagine, chauvinism and maternalism  
Our dorm may not survive this schism.

Want to make fun of Seren's hair?  
Then get a camera and you're already there!  
The Hitchcock film festival is June 4<sup>th</sup>  
We await with joy the genius that will pour forth

Pete is an alcoholic, April Fools!  
Wait, that doesn't seem right ...

Pete is joining alcoholics anonymous, April Fool!  
Lauren thinks camping is really cool  
She'll go after Scav Hunt to the Indiana Dunes  
And Josie will start her Johnny Depp movie night soon.

More story time on Sundays at ten-thirty  
Mo is upset - no kitchen sponges (its getting a little dirty)  
Don't be like John - use a condom!  
Is it possible that any of us are actually getting some?

IHC is moving to Northwestern to live among the shallow  
John still feels that there aren't enough card machines in this hallow  
IM sports outdoor soccer Monday afternoons  
Volleyball sign up sheet coming your way soon

Baseball and water polo arriving in May  
Oh my God? What? John is Gay!  
No Bartlett meetings for a while  
They've left our desires for revolution in a file ... and burned them

The rec room is too loud and ping pong-y  
Emily is extremely sing song-y  
Student Affairs says it is unethical to demand basic worker rights  
For the people who make our U of C sweats and tights

(I think they're right, let's go out and prostitute foreign workers  
They'll be the equivalent of our economically fucked hookers.  
I'm too intellectual for that bull shit.)

Section one: The rep has not come  
Section two: We miss Josie but are not blue  
We now have Lissie to talk to  
Section three: They now have Josie!  
Section four: Kayo is a 'section whore'  
Having gone from three to four  
Section Five: Jim not here to report live  
531-der will make a Scav hunt soundtrack  
To increase enthusiasm, or make up for the lack

Chris is the treasurer and is late  
Confusion is apparently his eternal fate  
Snell unfortunately had nothing to say  
Therefore I must complete this stanza in an inane way

Jason insists that you don't swap computers with cables  
April 12<sup>th</sup> and 24<sup>th</sup> we need Hitchcockians to tell fables  
To all the impressionable prospies that will be in our midst  
Don't sexile or kill them, or Maren will get pissed.

SCAV hunt party next Wednesday  
Come and learn how to make Max P pay  
Jeremy needs a Mac with a DVD burner  
Apparently he is a film-making learner

Corrigan needs seventeen bucks  
And Rachel thinks we're cool ... aw, shucks.
